

The All Disabilities Support Group for Spanish speaking parents invite you to:

MOTIVATION AND ITS IMPACT ON INCREASING OR MODIFYING BEHAVIOR

Presented by:

Nancy Chavez, M.A. ABA, BCBA candidate
Founder & Director of: "Hablamos ABA"

- Have you noticed moments where your child does not have interest in learning new skills?
- *Or perhaps demonstrates motivation some days only to lose it on other days?*

In this workshop we will focus on the use of motivation and reinforcement to increase new behaviors and maintain skills already found in the repertoire of your child.

Saturday, March 17 2018

10:30am-12:30pm

Head Start Offices, 225 Westridge Drive, Watsonville

This event is FREE. Refreshments will be provided.

Sorry NO Childcare available.

This workshop will be conducted in Spanish only
