

Welcome/Bienvenidos

Letter from the Director/Carta Enviada por el Director

Dear SPIN supporters,

Fundraising Activities. Wow! We have been busy thanks to all of you who have supported S.P.I.N. especially everyone that made our "Quiz Nite" fund raiser such a huge success; we reached our goal of raising \$20,000. This was the most successful Quiz Nite to date. If you haven't been to this amazing yearly event you are really missing something. This year at Quiz Nite we received a proclamation from the City of Watsonville for all the good work S.P.I.N. does for the community.

S.P.I.N.'s board of directors is one of the hardest working non-profit boards in the county. It takes a village to organize an event and Quiz Nite Planning Coordinator, who is also S.P.I.N.'s board Treasurer, Kalena Allard, worked tirelessly to make this event successful. We are looking forward to next year being even better! Thanks again to Kalena for all her hard work!

Board President Ken Kulpa gave a testimonial and slide show presentation at this year's Quiz Nite sharing his experience, strength and hope with the audience and telling the real deal of what it is like to have a child with a disability; it was truly moving. Thanks again to Ken for providing the best part of the evening.

Volunteer Opportunity. We now have a S.P.I.N. song! We are looking for anyone who would like to spread the word about S.P.I.N. to call me and I will give you a free CD. This song was created by our L.D. young adults; almost everyone involved in the whole process has a Learning Disability. We are very proud of everyone who put a lot of work and effort into making and creating this music for SPIN. We own all rights to the song and have the right to sell or distribute as we wish. We are looking for some volunteers to get our song played on the radio; if this is you, give me a call or e-mail me.

Resource Library We are updating our library; we have recently translated our most popular workshop titled "Positive Behavior Support and the Child with challenging behaviors into Spanish. We had our "LD

Estimados partidarios de SPIN,

A ctividades de recaudación de fondos. ¡Ah! Hemos estado ocupados gracias a todos ustedes que han apoyado a S.P.I.N. especialmente todos ustedes que contribuyeron para que nuestra noche de recaudación de fondos "Quiz Nite" fuera un gran éxito; alcanzamos nuestra meta de recaudar \$20,000. Hasta la fecha, este ha sido el "Quiz Nite" más exitoso que hemos tenido. Si usted no ha asistido a este asombroso acontecimiento anual se esta perdiendo realmente de algo. Este año en "Quiz Nite" nosotros recibimos una proclamación de la Ciudad de Watsonville por todo el buen trabajo que S.P.I.N hace para la comunidad.

La mesa directiva de S.P.I.N es una de las mesas directivas no lucrativas más trabajadoras del condado. Toma una aldea para organizar un evento y la Coordinadora de "Quiz Nite" que también es la Tesorera de la mesa directiva de S.P.I.N., Kalena Allard trabajó incansablemente para hacer este evento exitoso. ¡Esperamos que el año próximo sea aún mejor! ¡Damos gracias otra vez a Kalena por todo su trabajo!

El presidente de la mesa directiva Ken Kulpa dio un testimonio y una presentación este año en "Quiz Nite" compartiendo sus experiencias, la fuerza y la esperanza con la audiencia. El nos hablo de la realidad de lo que es tener un niño con una incapacidad, fue realmente conmovedor. Otra vez, le damos las gracias a Ken por proporcionar lo mejor de la noche.

Oportunidades para ser Voluntario. ¡Nosotros ahora tenemos una canción sobre S.P.I.N.! Buscamos a personas que estén interesadas en propagar la noticia acerca de S.P.I.N. llámame y yo le daré un CD gratis. Esta canción fue creada por nuestros jóvenes adultos con problemas de aprendizaje; casi todos los involucrados en todo el proceso tienen un problema de aprendizaje. Estamos muy orgullosos de todos los que trabajaron y se esforzaron para crear esta música para SPIN. Poseemos todos los derechos sobre la canción y tenemos el derecho de venderla o distribuirla como deseamos. Buscamos a algunos voluntarios que puedan tocar nuestra canción

Symposium” videotaped and will have DVDs for you to borrow soon. We have been purchasing many new books, DVDs and videos for our library and would like your input on what else we should have. A very popular book we just purchased is titled “How to Compromise with your school district without compromising your child.”

This book was recommended to us by one of our parents who had found it in the public library and really got a lot of good information out of it, but needed to borrow it for a longer period of time and other parents wanted it as well. We are also looking for other items for our resource library. Get creative and if there is something your child needs, please don't hesitate to call or e-mail me. Thanks for reading the S.P.I.N. newsletter and for all you do for S.P.I.N.; it does not go unnoticed.

*Elizabeth Louise
“Betsy” Driscoll

en la radio, si usted es esta persona, llámame o mándeme un correo electrónico.

Biblioteca de Recursos. Estamos actualizando nuestra biblioteca; recientemente hemos traducido al español nuestro taller más popular titulado “Apoyo Positivo de Conducta y el Niño con conductas desafiantes. Grabamos nuestro “Simposio de Problemas de Aprendizaje” y pronto tendremos DVDs para que usted pueda pedirlos prestados. Hemos estado comprando muchos libros nuevos, DVDs y videos para nuestra biblioteca y queremos su opinión sobre que más debemos tener. Un libro muy popular que acabamos de comprar es titulado

“Cómo Ceder con su distrito escolar sin ceder a su niño”. Este libro fue recomendado a nosotros por uno de nuestros padres que lo había encontrado en la biblioteca pública y obtuvo mucha información buena, pero necesitaba pedirlo prestado por mas tiempo y otros padres lo querían también. Buscamos también otros artículos para nuestra biblioteca de recursos, sea creativo y si hay algo que su niño necesite, por favor no dude en llamar o mandar un correo electrónico. Gracias por leer el boletín se S.P.I.N. y por todo lo que ustedes hacen por S.P.I.N. ¡Que nunca pasa desapercibido!

In memory of Betsy Driscoll

The SPIN family would like to express their deepest condolences to the Driscoll family.

Betsy was born with degenerative neuromuscular disease. Rather than feeling bitter and isolated for the ways in which people with disabilities are excluded, she sought out and accepted opportunities to connect with people and pursue an active life. Betsy will always be remembered as a talented artist, swimmer, student, lover of music and devoted friend and family member. She was a woman with a strong faith and was unfailingly generous with her smile and her love. Our love and prayers are always with you, Ona (mother) and Jane (sister).

SPIN also thanks the Driscoll family for all the donations made to SPIN in memory of Betsy. Thanks for all your support.

La familia de SPIN quiere expresar su pésame más profundo a la familia Driscoll.

Betsy nació con una enfermedad degenerativa neuromuscular. Ella buscó y acepto las oportunidades que se presentaron para ponerse en contacto con otras personas y seguir una vida activa y nunca se sintió amargada o aislada por las maneras en que las personas con incapacidades son excluidas. Betsy, siempre será recordada como una artista talentosa, una gran nadadora, una estudiante, amante de la música, una amiga y un miembro de la familia fiel. Ella fue una mujer con una gran fe y fue indudablemente generosa con su sonrisa y amor. Nuestro amor y oraciones estarán siempre con ustedes, Ona (madre) y Jane (hermana).

SPIN da las gracias también la familia Driscoll por todos los donativos que fueron hechos a SPIN en la memoria de Betsy. Gracias por todo su apoyo.

special needs/ necesidades especiales

Rett Syndrome is Reversed in Genetic Mouse Model

BY REBECCA HAIFLEY

On February 8, 2007 the Rett Syndrome Research Foundation announced the result of a landmark study reversing the symptoms of Rett Syndrome (RTT) in a genetic mouse model. Adrian Bird, Ph.D. of the University of Education conducted the experiment.

"Like many other people, we expected that giving MeCP2 to mice that were already sick would not work," said Bird. "The idea that you could put back an essential component after the damage to the brain is done and recover an apparently normal mouse seemed farfetched, as nerve cells that developed in the absence of a key component were assumed to be irrevocably damaged. The results are gratifyingly clear, though, and must give hope to those who are affected by this distressing disorder."

"The findings are extraordinary, and are of relevance not only to Rett Syndrome but to a much broader class of disorders, including autism and schizophrenia. The successful restoration of normal function demonstrated in the mouse models suggests that if we can develop therapies to address the loss of MECP2 we may be able to reverse neurological damage in children and adults with Rett, autism and related neuropsychiatric disorders," commented Zoghbi.

Of course these are exciting and hopeful times for families with children who have Rett Syndrome, autism and schizophrenia. Hopefully there will be some medical help in the not too distant future.

El Síndrome de Rett es Invertido en un Modelo Genético de Ratones

POR REBECCA HAIFLEY

El 8 de febrero del 2007 la Fundación de Investigación de Síndrome de Rett anunció el resultado de un estudio de señal que invierte los síntomas de Síndrome de Rett (RTT) en un modelo genético de ratones. Adrian Bird, Ph.D. de la Universidad de la Educación realizó el experimento.

"Como muchas otras personas, nosotros esperamos que dando MeCP2 a ratones que estuvieron ya enfermos no trabajaría," dijo Bird. "La idea de que usted podría volver a poner un componente esencial en las neuronas después de que el cerebro sufrió un daño, y la idea de desarrollar neuronas en ausencia de un componente clave cuando hay un daño irrevocable suena inverosímil, pero los resultados experimentales obtenidos en un ratón son claramente satisfactorios y dan una esperanza a los que son afectados por este penoso desorden."

"Las conclusiones son extraordinarias, y son de la aplicabilidad no sólo al Síndrome de Rett, si no también a una clase mucho más grande de desórdenes, como autismo y esquizofrenia. La restauración exitosa de la función normal demostrada en los modelos de ratones sugiere que sí podemos desarrollar las terapias para dirigir la pérdida de MECP2 tal vez podremos invertir el daño neurológico en niños y adultos con Rett, autismo y los desórdenes neuropsiquiátricos relacionados," comentó Zoghbi.

Por supuesto éstos son tiempos optimistas y emocionantes para familias con niños que tienen Síndrome de Rett, autismo y esquizofrenia. Esperamos optimistamente alguna asistencia médica, en un futuro no lejano.

support groups/ grupos de apoyo

SPIN Parent Support & Training Coordinators/ Coordinadoras de Entrenamiento Y Apoyo a los Padres

Call the offices to speak to one of our Coordinators/ Llame a nuestras oficinas para hablar con una de nuestras coordinadoras:

In South County, call Elizabeth Chavez at 722-2800

In North County, call Sonia Plageman at 423-7713

Support Groups—(SPIN sponsored)

Down Syndrome Support Group: Led by Megan Donnelly and Ken Kulpa. Contact Ken at 662-2610 for more information.

Support Group for Parents of Special Needs Teens and Adults:

Group meets the third Thursday of the month at The Dominicana Education Building from 7:15-8:45pm. Contact Sonia at 423-7713 for more info.

All Disabilities Parent Support Group: (for parents of children with any type of disability: physical, medical, developmental, neurobehavioral, etc.) Next Meeting is May 16, 7:00-8:30 at Dominican Hospital's Education Building. Summer schedule is to be determined. Contact Nancy at 423-7713 for more information.

Support Groups—(parent-led)

Autism Support Group: Meets the 2nd Monday of the month at the Bay School. Contact Dawnie Rocca at 475-5228 for more information.

Facilitated Communication: (FC)Meets the 1st Thursday of the month. Email at webweaver@skyhighway.com for more information.

Tourette Syndrome Support Group: Next Meeting is May 6th. Contact Nancy at (831) 454-8692 or Cindy at (831) 426-5648 for more information or for summer events.

(NEW)Hearing Impaired Parent Support Group: Facilitated by mentor parent of hearing impaired child. Leave message for Nancy at 423-7713 and you will be contacted by the facilitator with details

TO FIND OUT ABOUT OR TO HELP START A NEW GROUP FOR SPANISH SPEAKING PARENTS,
CALL ELIZABETH CHAVEZ AT 722-2800

SPIN Advisory Board Recommendations

We invite you to participate on our SPIN Advisory Board. This is a good way to serve our special needs community without having to attend meetings or do a lot of fund raising. SPIN Advisory Board members will be listed in the SPIN newsletter. SPIN Advisory Board members serve as advisors to the current SPIN Board and Executive Director. It is recommended that all SPIN Advisory Board members attend at least one SPIN event per year. Advisory Board members are also invited to the Annual Dinner and the yearly Strategic Planning Board retreat. There are no requirements to be an Advisory Board member, only suggestions. You were asked because you are a leader in our Community and we respect your contributions and would be honored if you consider becoming an Advisory Board member. Advisory Board member terms are negotiable. We are looking for three more members; if you are interested please call Cece Pinheiro @ 722-2800

**SPIN is seeking
Bi-lingual volunteers
to help at our Watsonville office,
answering phones and other duties.**

**If interested contact Cece

programs/ programas

Mentor Parent Program/ Programa De Padres Mentores

--NANCY WINANS, MENTOR PARENT COORDINATOR/ COORDINADORA DEL PROGRAMA MENTORES @ 423-7713

--SONIA CERVANTES, MENTOR PARENT COORDINATOR/ COORDINADORA DE PADRES MENTORES @ 722-2800

Request a mentor or “Buddy” parent. We now have many trained mentors for both English-speaking and Spanish-speaking parents of children with disabilities.

Need a mentor? This SPIN program matches parents of children with disabilities to “veteran” or experienced parents of special needs children. Mentors act as kind of a buddy and are helpful whether you are dealing with a new diagnosis or facing a particular challenge dealing with special needs issues. Parents who would like a mentor to help with informational and emotional aspects of parenting a special needs child may call SPIN at (831) 722-2800 or (831) 423-7713 for more information.

Consider becoming a mentor! Remember what it was like when you were searching for or finding a diagnosis, or dealing with IEP's, doctors, or other issues for your child? Now you can help others get through the same experience and expand your skills in the process. Call SPIN to get more information about becoming a mentor.

Pass the word! Please inform your friends, educators, health care workers, and fellow professionals about our program and refer anyone wanting a mentor, wanting to become a mentor, or needing more information about the program to SPIN. We appreciate your help in spreading the word about our expanded role in supporting parents of children with disabilities!

Ahora ya contamos con padres mentores voluntarios que le pueden asistir en Ingles o Español, y que tienen la experiencia de criar un niño con alguna necesidad especial.

¿Necesita un Mentor? SPIN lo puede poner en contacto con un padre mentor que tiene un hijo especial como el suyo. Este padre orientador es un apoyo emocional para usted, que tratará de ayudarle, con el reto de criar un hijo con alguna desabilidad. Si usted está interesado en recibir este apoyo de un padre Mentor o necesita más información por favor llame a SPIN al (831) 722-2800 o (831) 423-7713.

¿Le gustaría ser un padre Mentor? ¿Usted recuerda aquellos momentos retantes por los que pasó cuando encontraron el diagnóstico de su hijo, o qué hizo en su primera junta de IEP, o quizás cómo manejó la situación con doctores, terapeutas y más profesionales, y desea compartir estas experiencias y sentimientos con otros padres que comienzan con estas situaciones? Llámennos para obtener más información de cómo ser un Mentor.

Apreciamos su ayuda para correr la voz acerca del programa, pues nos gustaría que cada padre que necesita el apoyo lo tuviera y que cada padre quien estuviera interesado en ayudar también pudiera ayudar. ¡Con su colaboración estamos seguros que lo lograremos! Esperamos su llamada.

We Want You— A Call for Board Members

Would you like to give back to the community? Would you like to help families of kids with special needs & help SPIN become a stronger organization? If you want to serve on a dynamic & dedicated Board of Directors, then SPIN would like to talk to you. Please call Cece Pinheiro at 722-2800 for details.

thank you/ gracias

QUIZ NITE 2007

Sixth Annual Fundraiser a Great Success!

¡La Sexta Recaudación de Fondos Anual Fue Todo un Éxito!

QuizNite 2007 at the Seaside Golf Club on March 10th was more fun than ever, with the theme of "Down By the Sea". Our Guests enjoyed a lovely dinner, quizzing competition, balloon "surprises" and a silent and live auction. Mitchell Jackman's table received the award for "Best Costumes and Table Decoration". Cece Pinheiro's table received the award for "Highest Quiz Score".

Special thanks go out to the following people who made Quiz Nite such a wonderful, successful night: Our Celebrity MC, Lex Vandenberghe; Bill & Sheryl Wobber, our Quiz Masters; our Board of Directors Kalena Allard, Peg Gallagher, Pat Golditch, Rebecca Haifley, Ken Kulpa, Amanda Owens, Rhea DeHart, Eileen Fuller Garcia, John Kaster; our volunteers Aaron Haifley, Becka Lister, Debbie Menges, Heidi Lister, Kalena Allard, Ken Kulpa, Mary Eileen Gallagher, Patricia Bautista, Shari Davis, Vincent Gianotti. We thank all of the parents, and other friends who came to Quiz Nite and made it the best event of the year! We hope to see you again next year!
